Good Morning ESF/OPS Liaisons:

The next operational period will span 48-hours (Tues, 11 Oct, 0700 -- Thurs, 13 Oct, 0700). Please send me your ICS-215 inputs no later than **1200** today. All 215s should reflect any field activities occurring **Tuesday and Thursday** this week. For reference, attached are the ESF-10 and ESF-4 work assignments for the latest O-period.

As a heads up, starting on Thursday we will be going to 96/72-hour O-periods. So planning days will be on Thurs and Monday each week; the O-periods will span 0700 Friday to 0700 Tuesday and 0700 Tuesday to 0700 Friday, respectively.

Let me know if you have any questions.

Thanks,

Brian
